

# Hopes & Wishes for Milan

Milan is a 15 year old boy, from Winchester High School, who suffered cardiac arrest while playing soccer this past spring. After several weeks in Intensive Care at Children's Hospital followed by months at the Spaulding Rehabilitation Hospital, he has returned home and is being cared for by his family who love him more than anything in the world.

Please let Milan's family know that we care and that their son is in everybody's thoughts and prayers.

Send one of your Holiday cards this year to Milan,  
his parents, and brother & sister.

Our goal is to fill their home with  
**HOPE.**
